Dear John:

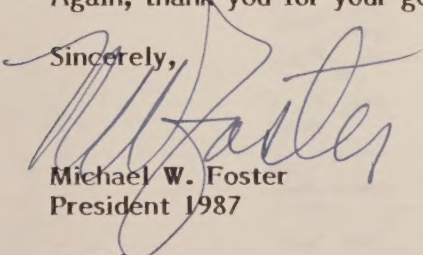

Thank you for your donation to the Greater Astoria Area Chamber of Commerce to help complete the construction of the new chamber facility. After completion, I think this will be a donation that you will be proud of.

The Greater Astoria Area Chamber of Commerce is very active in its efforts to improve the economy of our community in areas of tourism development, government affairs and economic development. The new building is only one of the projects being done at this time.

Enclosed is a certificate for you to display in your office or home. Please stop by and see the new chamber office soon.

Again, thank you for your generous contribution.
